Subject: RE: Completed works

Thanks Lawrence

I have been very pleased with the repairs to our walk in freezer at our warehouse. Three of the doors were old, tired and failing to seal properly. Catercare arranged for a site visit where great care was taken to measure and investigate the existing doors by a tradesman who clearly knew what he was doing and was not just a salesman. The subsequent quote was very competitive and the quality of the final fitted product clearly demonstrates how poor the original doors had been. The fitters were professional, worked around our own staff and left the site clean and tidy. I would have no hesitation in recommending Catercare to others.
